## Best-In-Class AP Automation for Microsoft Dynamics 365

Introducing Corpay Complete, the spend management platform designed to revolutionize the way your organization handles expenses. Whether you're a business manager overseeing corporate expenditures or an employee making purchases in the field, Corpay Complete streamlines all your workflows from start to finish. Our mobile-friendly platform enables you to customize modules to fit your unique business needs — all at the touch of a button.

### AP Automation Solutions:

- **Payments Automation:** Simplify payments with a single file from Microsoft Dynamics 365 BC and F&O for checks, ACH, and virtual cards, while earning rebates on vendor payments
- **Invoice Automation:** Utilize AI and OCR technology for automatic data extraction and precise 2- and 3-way matching
- **Procurement and POs:** Create purchase orders with specific line items and manage approvals on the go in the mobile app

### Card and Expense Management Solutions:

- **Corporate Cards:** Consolidate T&E, purchasing, and fuel card programs with robust administrative controls
- **Purchasing Cards:** Pay suppliers/vendors with ghost cards and one-time-use virtual cards to reduce payment fraud
- **Expense Management:** Leverage paperless reporting and expense tracking with intelligent mobile and desktop applications, directly integrated into Microsoft Dynamics 365 BC and F&O
